

Spring 2014 Flashdrive Collection

Program Assessment Plans:

Please use the format provided to update your assessment plans for each program. The last update we did was in Spring 2009.

I've put the old Program Assessment Plans in a folder on this flashdrive for your reference.

These will be used as evidence for NCATE Standard 2 Assessment and CAEP Standard 5

Unit-wide student learning outcomes are CLOPTRoDD and I'll cover that so no need to put those 7.

If you do more programs, copy the template to use.

Once you make changes, please save this file but put your last name on the end of it. That way I'll know whose files are whose when I put them together.

If you have questions, please email me at toddmm@buffalostate.edu
